Mr. Tom was born in Homer, Louisiana August 27, 1929. His dad moved to Haynesville when he was in 3rd grade and he graduated high school in 1946 from Haynesville High School. He loved playing baseball and football as a boy, and he came Louisiana Tech University on a football scholarship in 1946. He majored in Business and graduated in 1951 after playing 4 years of college football. He was in Kappa Sigma Fraternity while he was in college. His friend set him up with his wife Burnell Wall to go see a movie in 1951. They were married after a few months of dating. They had 4 boys during their life together. They are all married and he has 4 daughters in law and several grandchildren. Mr. Brantley entered the National Guard in 1946, and became full time Air Force in 1951 after he graduated college and got married. He graduated from Air Force officer school and became a lieutenant. He is a lifetime member of the Air Force Association. After the military, he went into the reserves and began a career working for TL James in Cheneyville. He moved to Ruston soon after. He retired from TL James and was a Vice President and Treasurer. Mr. Tom was an avid duck hunter and enjoyed spending time with family and close friends. He loved sharing that passion of hunting while traveling all over. He also loved to play golf in his free time. He's a big fan of La. Tech Athletics. He says he likes living here because they took good care of his wife.

CHECK YOUR CALENDAR!

- We are testing out the interest in attending some Louisiana Tech sporting events. Look on the calendar for the dates you can attend a baseball game.
- Invite your family to attend Family Day at The Arbor and Terrace. We are still planning, but we will have games and food. Check your calendar and invite your family!

ART SHOW

We have so many talented artists among us! We want to have an art show! We want to display your art in the activity room. We will do the art show the 25th and 26th of April. Please see Stacy to display your work.

TEAM WORK!!!
THE STAFF HAVE REALLY BEEN
LEARNING HOW TO WORK TOGETHER!
WE CARE ABOUT EACH OF YOU SO
MUCH

Please join us in the library for our book club. Bring your favorite book or just bring some good ideas. We ordered the book We Were the Lucky Ones , and will pass those out. I hope you join us in reading this book, but more importantly, it will be a good time of visiting and fellowship. We will meet in the library on April 23rd.

RESIDENT COUNCIL MEETING

is open for ALL residents. This is a great opportunity for your voice to be heard with compliments or complaints. We will follow up with each issue within 7 days. Have your voice be heard! We are here FOR YOU!

MARK YOUR CALENDAR AND TELL
YOUR FAMILY!

WE WILL BE HAVING OUR SPRING
FAMILY FUN DAY ON APRIL 26th
STARTING AT 4 PM. WE WILL HAVE
GAMES, A HAMBURGER COOK OUT,
AND YOU'LL GET A CHANCE TO
TAKE A LOOK AT A REFURBISHED
1954 CHEVY PICK UP TRUCK.

The Louisiana Tech students that have been coming have certainly brightened up our days. They have enjoyed observing and planning activities for us to do. They will continue to be around and would love to hear about your life. If you would like a visit, please let Stacy know.

Did you know we have a master gardener among us? Tammy Stevens gave us lots of information, and we planted our seeds to become our

vegetable and flower garden! We planted multiple varieties of squash, tomatoes, Texas blue-bonnets, zenias, and other flowers. We will water and watch the seeds grow and then we will plant them outside and hopefully be able to eat the fruits of our labor this summer. Check out the progress in the activity room.
